

Learn to Skate

Fall 2018 Beginning Ice Skating Classes

Learn to Skate is a year-round skating program for beginners that are looking to develop basic skating skills and have fun. These classes help all skaters learn basic technique and enjoy the sport of figure skating and hockey. Our LTS Program can lead to either improved recreational skating or the development of skills needed to achieve higher team, competitive and advance testing goals. Classes are taught by Cottonwood Heights Recreation Center's qualified skating staff to ensure proper learning and to have a **safe** and **fun** experience for all ages and abilities.

*Winter Extravaganza Show:

Each December the Cottonwood Heights Figure Skating Club presents a winter skating show for the public. This year, all skaters that sign-up for our Fall II LTS session on either Tuesdays or Wednesdays at 6:15pm will put their skating skills to use by learning a short group routine performed to the music of the season in class.

Tentative date for this years show is Saturday, December 8th @ 1:00pm.

Each skater will receive two complementary ice show tickets. Additional tickets will be available for purchase through the Skating Coordinator. Our annual FREE "Skate with Santa" event will follow the performance.

*For more information on the winter show contact kathy@cottonwoodheights.com
